

Introducing **ROYAL RM Series**

Replacement cylinders for the Atlas MM-Series.

- **Westcoast Cylinders Inc. offers replacements for the discontinued MM Series.**
- **Contact a Westcoast Cylinders representative or the factory directly for a quote on your crossover requirements.**
- **We will require the Atlas MM model number and a description to ensure a proper direct crossover.**
- **Westcoast Cylinders will utilize the “R” Series with modifications to ensure a direct mounting and functional match is made.**
- **See page 2 behind to define a cylinder using Royal’s new RM nomenclature.**
